世界トップレベルのアルミニウム加飾技術による 装飾製品を総称した「アルミリオン」

自動車用、家電用、家具住宅用のエンブレム、化粧パネル、筐体に使われるアルミニウム製の装飾製品の生産を行っております。

アルミニウム板に機械加工（プレス・ダイヤカット・ヘアライン・サンドブラスト）および、表面処理加工（アルマイト・印刷・エッチング）を組み合わせ、多彩なデザインの製品を作り出し、お客様のイメージを形にします。

Almillion

■ヘアライン加工

アルミニウム板に下地処理を行い、高級感・奥行きが得られます。

■カラーアルマイト

・耐候性・耐食性（紫外線・酸化物・塩害）にすぐれ、ダークからビビット色まで表現できます。

■高精細シルクスクリーン

・重ね印刷により、キメ細やかで多彩なパターンが再現できます。

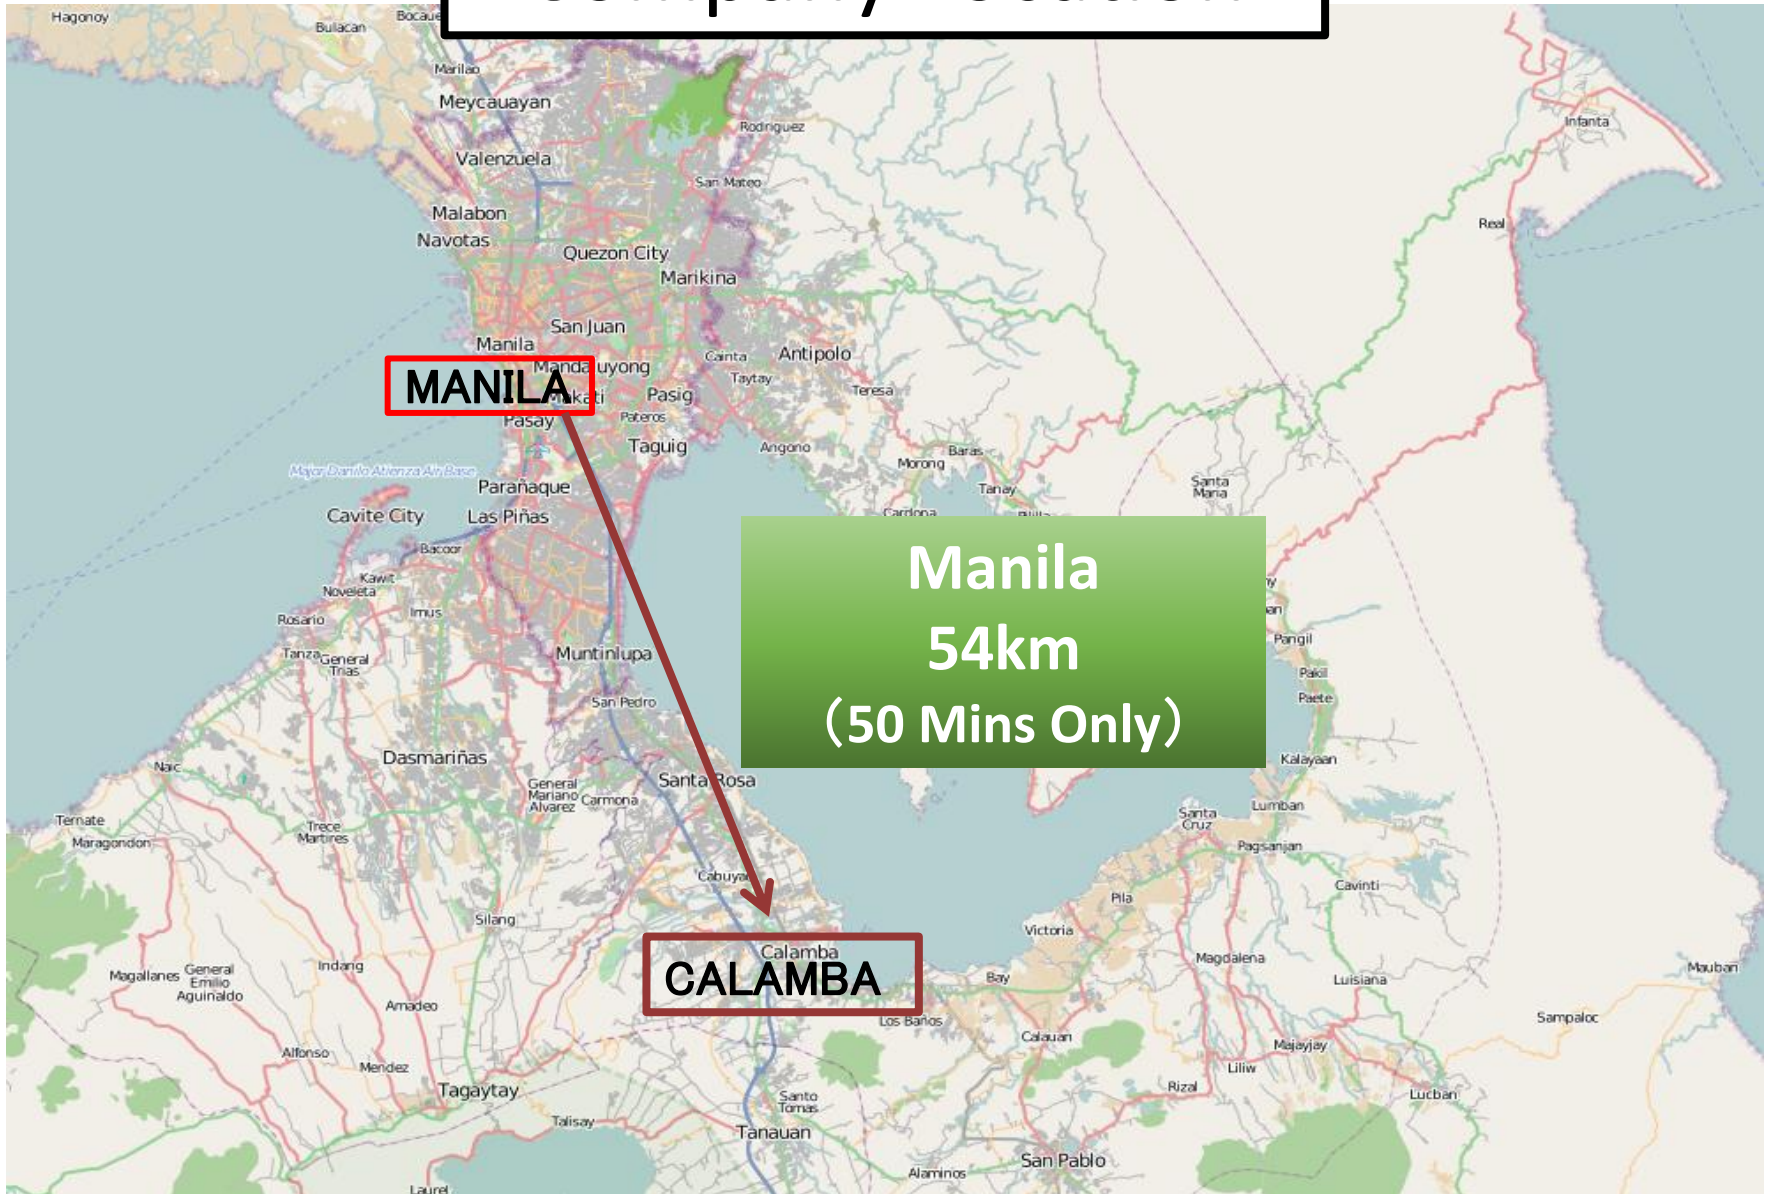

■スーパーエッチング

・物よりも深く（凹凸0.2）、2段階（ダブルエッチング）加工することでシャープな立体感を実現できます。

Company Location

CORPORATE IDEALS

MISSION STATEMENT

To achieve and maintain the highest quality and standards of our product through continuous innovation, awareness of our ever changing environment for company's growth as well as community and individual progress.

VISION STATEMENT

CSIPC envisions to attain global product excellence through customer's satisfaction while staying competitive in the worldwide landscape through application of advanced technologies compelled by its commitment in advancing environmental protection on its over-all company processes.

QUALITY POLICY STATEMENT

It is the policy of Calamba Shinei Industry Philippines Corporation to satisfy its customer's need by producing quality products, meeting on time delivery paired with utmost effort for continuous improvement.

All employees are committed to quality first principle and participate in the improvement and maintenance of the company's system.

ENVIRONMENTAL (OH&S) POLICY

Calamba Shinei Industry Philippines Corporation, a manufacturer of electro-mechanical parts is committed to promote land, water and noise pollution prevention and to support health and safety initiatives for the whole organization.

It ensured that the established IMS fully comply with the set regulatory requirements and made available to all interested parties.

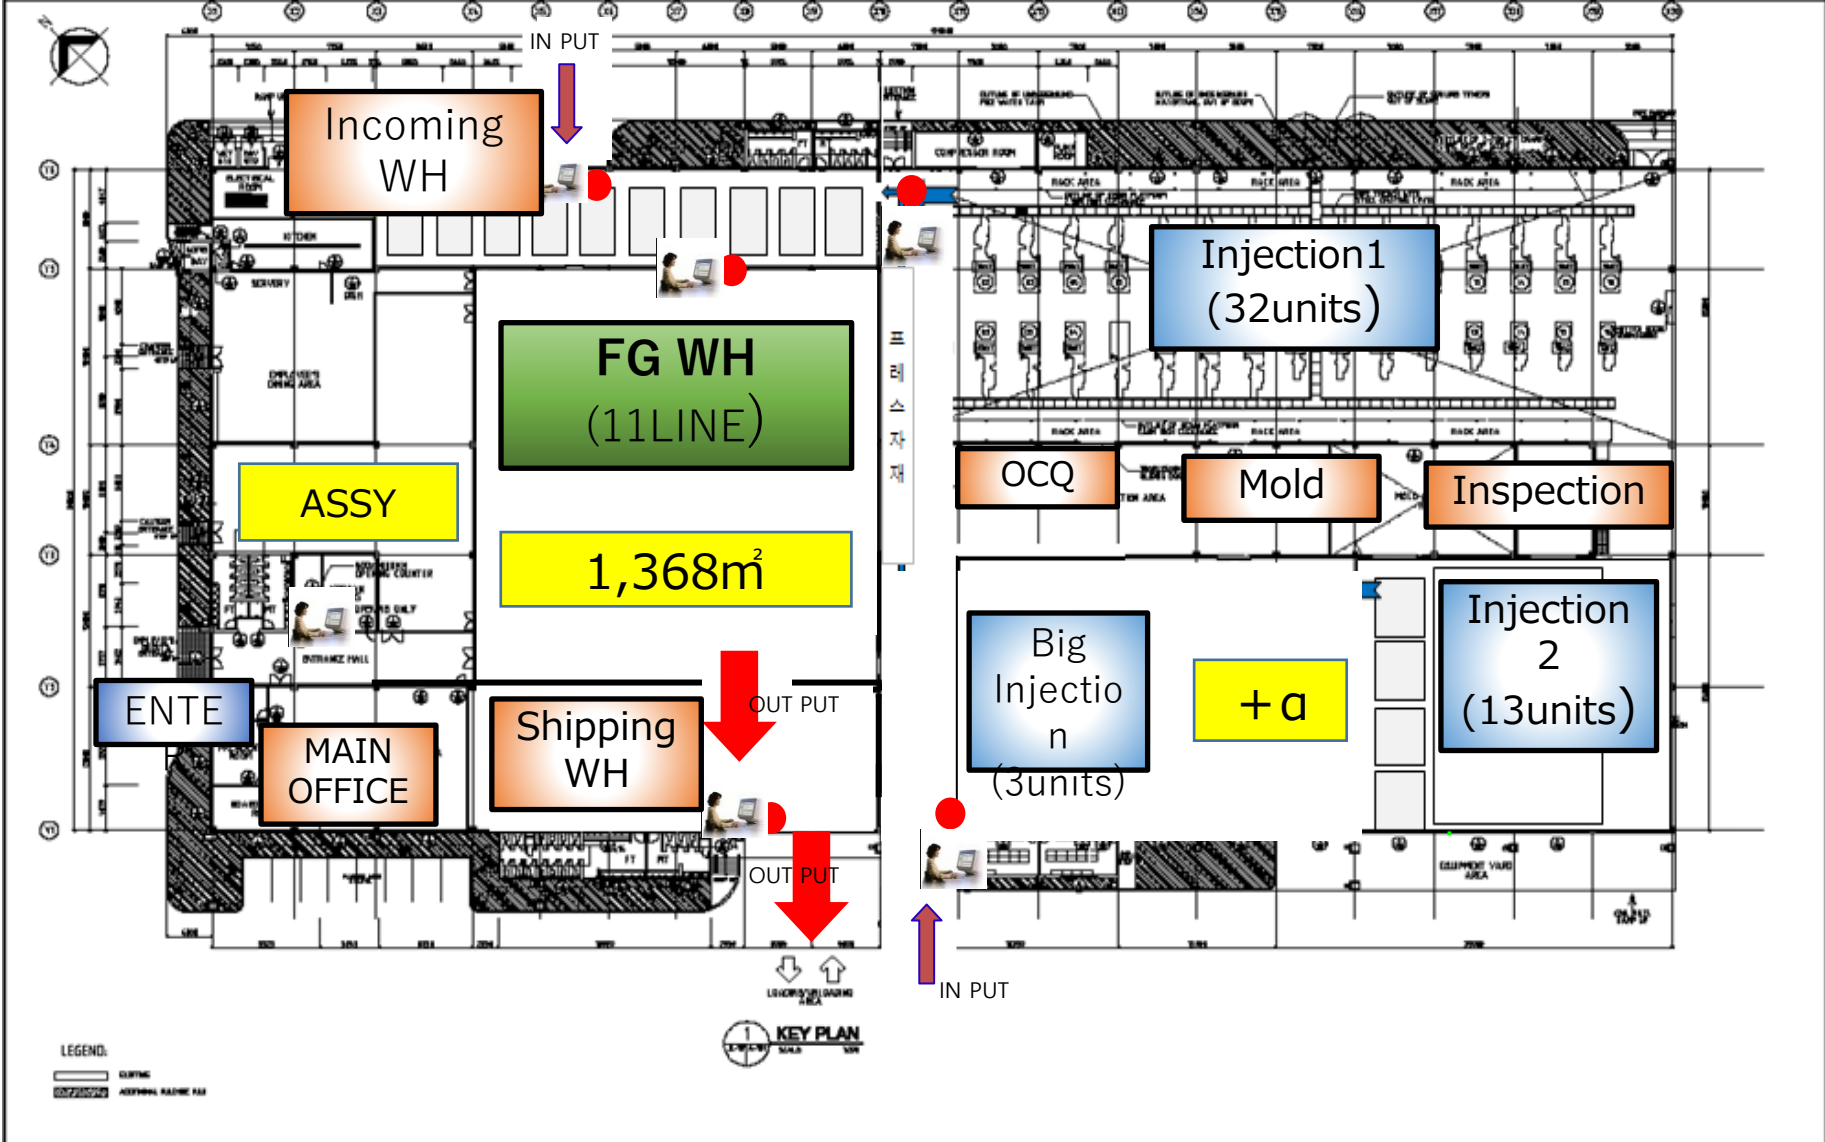

As an effort with utmost importance, we, its workers, collectively as one body, are dedicated to continually improve our environmental, health and safety management system with each employees contributing towards identification of risky and hazardous environmental practices and offer suggestions to progressively improve our working condition and to further enjoy a work environment that is free from pollution.
